

## **Carpenter / Timber Framer**

We're looking for experienced Carpenters / Timber Framers to join our progressive and creative team in 150 Mile House BC. Be a valued member of a group who builds cool things in a great part of BC and beyond. We are partial to people who work hard, have loads of common sense and take pride in everything. Ideal candidates are self starting and team oriented. Your experience in general carpentry or timber will be beneficial as you;

- Prefabricate and install our high-performance wall and roof panels
- Form and pour concrete in our foundations
- Cut / Sand / Package Timber
- Assist with building / frame erections
- Work onsite complete various carpentry tasks such as framing, cladding, and working at heights
- Illustrate experience or interest in high performance enclosures / building methods, timber framing, and quality oriented whole building construction.

We typically work 10 hour days, Monday to Thursday. Your time will be spent either in our shop or on our building sites. You will be returning home in the evenings for our sites that are less than 1 hour from our shop. There is some out-of-town travel required for our more distant installations.

### **Required Experience:**

- 2 + years of carpentry experience
- Ability to read and interpret architectural and structural plans and shop drawings
- Math and problem solving skills
- Strong work ethic and quality focused
- Valid BC driver's license and your own transportation
- Illustrate pride in your tools, and the goods and services provided by our company
- Availability to travel out of town (STW strives to work locally, but travel will be required).

### **Why work with us?**

**This position offers flexibility, competitive wages in a positive and dynamic team.**

- Opportunity to learn new systems from supportive leadership and team members.
- Build varied and interesting projects in BC and beyond with a positive team
- The right employee will enjoy a flexible schedule STW supports the ITA and the TFG for those who aspire to gain certifications.
- *Be a valued member of a growing company, and get out what you put in.*

Please send a resume and cover letter outlining why you'd like to join our team.
